

Dear Colleague,

Project Magis is hosting its Second Annual Cocktail Reception to benefit the Catholic Charities Appeal of the Archdiocese of Philadelphia, to be held at the law offices of White and Williams LLP on Monday, October 7 at 5:30 p.m. This year a new award called The Magis Award will be given to an individual in the Greater Philadelphia business community who—regardless of creed—has demonstrated respect, dignity, kindness, and humility toward others in the performance of their duties and in their profession. Honorees are committed to service rooted in solidarity and justice, increasing common good by doing more for others, and creating a better society and life for those around them. The honoree has been selected and more details on the honoree will be announced before the event.

As you may know, Project Magis is a networking group of corporate restructuring, legal and financial services professionals dedicated to helping others in the local community and our fundraising benefits the four Schools of Special Education within the Archdiocese of Philadelphia and Catholic Social Services. Catholic Social Services is the leading provider of social services in the Philadelphia region.

Last year, our fundraising helped to provide:

- Subsidized tuition for children attending the Saint Lucy Day School for Children with Visual Impairments; Archbishop Ryan Academy for the Deaf for children with hearing impairments; and Our Lady of Confidence Day School and Saint Katherine Day School for children with cognitive impairments.
- 2,312,770 meals to the community in need of food assistance.
- Trauma-informed care and career focused education every day of the week for over 400 at-risk youth.
- Daily after-school programs for 900+ children in poor and high-crime neighborhoods.
- Emergency food and clothing, transportation, and personal/life skill courses for veterans and their families.
- Residential support for single women and mothers with young children who are in recovery from addiction, and day services for women currently residing on the street.

We are reaching out to our colleagues to help raise funds to assist the four Schools of Special Education and Catholic Social Services in their missions. Thanks to White and Williams' hospitality and the generosity of Planning Committee members, **100% of the proceeds from this event will go to support the Catholic Charities Appeal.**
